Four From Hawaii Don Dragon Beanies

by DeLayne Riedberger

It's almost like a storybook tale, only it's true! Jean Okumoto and Frances Kimuro of Hanapepe, Kauai, Hawaii have been close friends for many years. Like all good friends, they thought it would be fun to go to college together in the United States. After writing letters to many colleges and universities, they chose Moorhead State Teachers College and here they are!

The situation was somewhat different for Joseph Whitmarsh of Kainaliu, Kona, Hawaii, and Tatsumi (Tats) Tanaka of Honalo, Kona, Hawaii. Joe was the one who first decided to attend MSTC. Tats had originally planned to attend school in Missouri until he talked to Joe who suggested he come to MS. After speaking to the counselor of his high school and to Kenneth Sugiyama's parents, he decided on MSTC.

And so our story goes. Today we have five Hawaiian students attending our college. Kenneth Sugiyama led the way when he arrived last March 16 from Honalo, Kona, Hawaii.

Jean, Frances, Joe and Tats are a vivid part of our Freshmen class with their red beanies perched on their heads and their dark eyes wearing a questioning look every once in a while.

As we interviewed Jean and Frances, they answered our questions concisely and politely. Then suddenly, without warning, Frances' foot slipped and she "almost" took a fall. All composure was lost as they burst into gales of laughter.

Jean, between spurts of laughter, cried, "We slide a lot here" and explained that she just about fell down the steps one day. One thing both coeds noticed at MS is that the students here are always in a hurry.

"They eat fast and walk fast," said Jean. Frances shook her head and said, "Yes, when they are through eating, it seems as if we're just beginning."

Jean is taking a three year elementary course while Frances is working toward a four year degree in element-

ary education. Like all students at one time or another, Frances was somewhat downhearted because her schedule was "mixed-up."

After assuring her that she was not alone in her problem she cheered up immediately and continued to say that she thought MSTC had a beautiful campus and very friendly people. Jean added that she was impressed with the friendliness of the students and their interest in Hawaii.

What was the one big change for both of them? "The weather...it's much colder" they exclaimed!

Our male duet which arrived from Hawaii this fall along with Jean and Frances, are just as friendly as the girls. Both boys are majoring in physical education. Tats plans to minor in science while Joe is minoring in speech.

"Well, Tats, what do you think of the students here," we asked? "Oh, there are real friendly boys," he replied.

"How about the girls?" was our next question to which he answered, "Oh, that...sure...very friendly" and then began to laugh.

Joe too was impressed with the students here, especially the girls. "There are more girls around here, commented Joe, and the students are so friendly...they make me feel so at home."

Joe's hobby is playing the ukulele. He has been playing it for two years and is quite accomplished. He plays a little bit of everything, including "Mr. Sandman" and "Twelfth Street Rag."

Tats and Joe find it very easy to converse with students. They both think the food here is very different. Tats explained that at home he had rice practically every meal, and potatoes are used only in salads.

Hawaii must be a very friendly land. They must be proud of the students who come to the United States to study. What better publicity than Kenny, Jean, Frances, Joe, and Tats, could they have sent to MSTC?

OUR FIVE HAWAIIAN STUDENTS anticipate the rigorous Minnesota winters as Joe Whitmarsh models a storm coat. They are (l. to r.) Tats Tanaka, Kenny Sugiyama, Jean Okumoto, Frances Kimura, and Joe Whitmarsh. Photo by Chuck Olson.

Attend Remaining Dragon Grid Games

Eight games remain on the Dragon football schedule. Most notable change in this year's schedule is the addition of a game with the University of North Dakota.

Homecoming will be held on October 29, when the Dragons meet the Michigan Tech eleven.

Remainder of the schedule:
Sept. 24 Bemidji STC there.
Oct. 1 St. Cloud STC here.
Oct. 8 Winona STC here.
Oct. 15 Mankato STC there.
Oct. 22 N.D.U. there.
Oct. 29 Michigan Tech here.
Nov. 5 Westmar College here.
Nov. 12 Northern STC there.

Remaining Baby Dragon Schedule
Sept. 23 Felton, home (night)

Sept. 30 Rothsay, h'coming (night)
Oct. 6 Hitterdal, home (night)
Oct. 12 Wolverton, away (afternoon)
Oct. 21 Ulen, away (afternoon)
Oct. 28 Audubon, away (afternoon)

Pics For Dragon

Class pictures for the Dragon, MS TC annual, will be taken the first and second weeks in October. There will be facilities provided here.

Students who wish to use old pictures must get a 3x5 glossy print from their photographer and turn them in to the Dragon editor as soon as possible. Chell Soeth and Joan Hallet are co-editors of the Dragon this year.

Year 32- Issue 1

State Teachers College, Moorhead, Minnesota

Friday, September 23, 1955

Eighteen Join College Faculty; Boudrye, Jenkins, Domek Return

Several changes have been made in the MSTC faculty and office staff during the summer months.

Mr. Mason R. Boudrye, who has been on sabbatical leave during the past academic year to do graduate work toward the doctoral degree at the University of Minnesota, will resume his position in the division of science and mathematics.

Mr. John M. Jenkins, who has been on sabbatical leave during the past academic year to do graduate work toward the doctoral degree at the University of North Dakota, will assume his position as director of student affairs. He received his Ph.D. Degree in Education August 6.

Mr. Roy A. Domek, who has been on sabbatical leave during the past academic year to do graduate work toward the doctoral degree at the University of Colorado, will resume his position as director of athletics.

Miss Mildred Holstad accepted a position in the music department. Miss Holstad attended the MacPhail School of Music at Minneapolis. Waldorf Junior College at Forest City, Iowa, and Drake University, receiving her Master of Music degree at the latter institution in 1947, with a major in piano and a minor in voice.

Six Chosen To Uphold School Spirit

On September 15, the small gym was the scene of the try-outs for the new 1955-1956 cheerleaders. Six girls were chosen to add vim, vigor, and vitality to the school spirit at MSTC.

Rae Iverson and Mary Ellen Kjelstrom are the veterans back from last year. The new girls are Bette Reyes, Yvonne Kohler, Barbara Stewart, and Claire MacDougall. These girls were judged by three commission members besides the Pep commissioner and three other non-partial students. Last year's cheerleaders had to try-out as well as the new girls.

Mr. Clarence Marcel Stratton has accepted a position to teach art-humanities. Mr. Stratton received his BFA Degree from the University of Nebraska and the MA Degree from the University of Chicago. During the years 1941-45, he served in the US Air force.

Dr. F. Paul Ralston Jr. has been appointed to the position left vacant by the resignation of Dr. Paul Tasch in the Science and Mathematics Department. Dr. Tasch is now teaching at the University of Wichita, Kansas.

Caughey, Shuck Named New MiSTiC Editors

With this issue of the MiSTiC Barbara Caughey and Harlan Shuck assume the duties of editor and managing editor respectively of the 1955-56 school paper.

Miss Caughey is a senior from Perham, Minnesota. She is a math major, a member of the college debate squad, and president of the Newman club.

Shuck, a sophomore from Wendell, Minnesota, is an English major, a member of the campus Republican club, and a debater.

Miss Caughey was awarded the

Tainter scholarship prize in her freshman year. This is an award given each year to the highest ranking freshman. (Miss Ethel Tainter, donor of the prize, now retired, is a former faculty member of the college.)

The new editors replace June Johnson and Elaine Karlstrom who were appointed last spring. Miss Johnson resigned at the end of the spring quarter to take a counseling position in the women's dormitory. Miss Karlstrom did not return to school this quarter.

Enrollment Figures Rise; Freshmen Number 289

Seven hundred and forty-five students have enrolled this far at MS TC. Compared with last year's enrollment this is an increase of 10%. The Director of Admissions stated that this enrollment is not yet complete.

Three hundred and eighty-two of these are women and 363 are men. Compared with last year's 361 and 349 respectively, the women still have the lead.

Dividing up the total, there are 66 seniors, 132 juniors, 250 sophomores and 289 freshmen. Eight students are taking part time classes as compared with four last-year.

Five Hawaiian students are attending MSTC.

Art Series

The first of six programs in the Artist Course Series will be presented to the students Tuesday, October 4, and will feature as guest artists Herbert Techman, clarinetist; and Ruth Budnevich, pianist.

The five remaining program to be held October 11, January 25, February 27, April 1, and May 2, will feature as guest artists David G. Barry, lecturer; Joyce Flissler, violinist; The Chanticleers, a male quartet; David Bar-Illan, pianist; and the Denecke Sinfonietta.

Mr. Frank H. Reighard was formerly employed at Stoughton, Wisconsin, as City Building Inspector. His position here places him in the industrial arts department. He will devote half of his time to the planning of buildings and grounds at MSTC.

Miss Jane Bolmeier has accepted the position of art instructor in the College and high school. She replaces Miss Iletta Holman.

Miss Shelda Ann Jacobson has accepted the position of instructor in the college high school to teach mathematics. Miss Jacobson was awarded her B.S. Degree from MSTC in 1948, and received the Master's Degree at MSTC in the August, 1955 commencement. She has been teaching in the Ada, Minnesota, public schools.

Miss Lois Early, who graduated from Michigan State University and has been teaching in the public schools of Grand Rapids, Michigan, joined the staff as dietitian in charge of the dining halls.

Mrs. Elsie Lee, a former member of the faculty, has been appointed to serve as assistant librarian during the absence of Miss Karen Kivi. Miss Kivi is on a sabbatical leave for the following school year to do graduate work toward the doctoral degree at the University of Michigan.

Mrs. Betty Bergford has accepted a position to teach social studies during the fall quarter in the college high school.

Mrs. Mary Aarnes has been appointed as an instructor in communications for the fall quarter.

Miss Birdell Randorf has accepted a position as assistant teacher and supervisor of the first grade in the elementary school, on a half time basis. She is also attending MSTC.

Mrs. Marjory Larson has been appointed as director of the women's dormitories.

Ruth Mikkelsen replaces Genevieve Collins as cashier in the business office. She is a former graduate of MSTC. Mrs. Collins is now teaching.

Miss Joyce Vollmers has accepted a position as secretary in the office of Mr. R. R. Sorensen, Director of Placement and Extension.

Miss Lorraine Kaelberer will assume the secretarial position in the office of Dr. Earl Foreman, Director of Admission, Records, and Evaluation.

Miss Kathleen Corcoran joined the staff in the business office.

Miss Yvonne Hirsch was appointed to the position of secretary to the Dean of Women and the Dean of Men.

Miss Janet Traaseth joined the office staff as secretary to Dr. Murray and Miss Holmquist.

Mr. Frederick Bierhaus will be on sabbatical leave during the ensuing academic year to do graduate work toward the doctoral degree at the University of Colorado.

Prexy's Fall Letter Stresses 'Open-Door'

In an interview this week, President Knoblauch stressed the point that his office door is open at all times to the students of this college, and that he would like to meet and talk to as many of the students as possible in order to keep abreast of student feelings.

He suggested that we publish the welcoming letter that he addressed to the freshmen in the Freshman Handbook, as the statements in this letter are applicable to the entire student body.

Here is the letter:

This fall one out of every four young people of college age will enroll in one of the approximately eighteen-hundred colleges and universities in the United States. For each student fortunate enough to be admitted to collegiate study at least one more student will be denied this opportunity for any one of a number of reasons, but particularly for reasons of finance and the lack of physical space in the institutions of this type in this country.

Yes, for every young person admitted to college this fall another young person has to forego that privilege. This means, among other things, that we are failing as a nation to utilize to the maximum our finest natural resources... our young minds and personalities. This represents a serious situation, and it places upon each young college student the responsibility for his own success. For if he fails that means his failure is doubled — not only does he fail, but the young man, or woman, who was denied admission when he was admitted has also failed to get a college education.

In this situation there is a real

A hearty welcome to our new President and students. For the president, we hope you like the students; for the student, we know you will like the new President.

WARNING TO FRESHMAN BOYS — Six steps will lead you to MS's most fatal trap-PASSION PIT!

It has been brought to our attention that Concordia has eleven football players and fifty fellows who couldn't make the choir on their team.

The attendance at the first two dances on campus has been wonderful! Lets keep it up.

The Recreation room in Ballard Hall could use some decorating on those bare walls. Perhaps our excellent Art Department could paint a mural or something to liven it up.

The boys on the southeast end of Ballard Hall don't need alarm clocks this year to wake up in the morning. A faithful steam shovel working on a 14th street project wakes them up at 6:45 a.m. every day. Nice, huh?

The sighs and heartbeats of the Freshman girls can be heard and felt as the local football heroes shuffle through the chow line.

Only 13 school days left till MEA vacation.

CLIFF SAYS: "If your looking for a helping hand, try the end of your arm."

Vets Saluted

The American Broadcasting company dedicated a two hour record program to the Veterans Club of MS TC last Saturday evening.

The program, called ABC Dancing Party, each week salutes an organization from a college somewhere in the United States.

News Due Tuesday

Campus organizations are asked to please have all copy in to the MiSTiC by 4:00 p.m. on Tuesday previous to publication date, if they want announcements made of meetings and events.

"FROSH" PRESIDENT A. L. KNOBLAUCH, with the beanie of a beginner and the briefcase of a busy man. Photo by Chuck Olson.

challenge to the student at MSTC, i.e., your success makes less serious the failure on the part of the fellow who could not enroll with you at this or some other institution of higher learning. Our admissions officer has chosen carefully and we hope wisely when he admitted you.

We hope to greet you with the graduating class of 1959. At that time we shall extend to you our congratulations upon the successful completion of a program that began with such great promise in the autumn of 1955.

Do come and see us often, have fun, but don't fail anyone — including yourself and the other fellow!

A. L. KNOBLAUCH
President, MSTC

19 Students Teach In 5 Elementary Schools

Nineteen students of the elementary provisional curriculum began their student teaching this quarter.

The students are able to select the grade they want to teach whenever possible. They will keep their present assignments for six weeks.

Nine of the students are teaching on campus, six in Moorhead Public Schools, and four in the Fargo school system. The students teaching in Fargo are transported each morning to their assignments by MSTC bus service.

All students must teach one quarter to complete their student teaching assignments. The students, the school at which they teach and the grade is as follows:

Campus School: Kindergarten, Mrs. Irene Benson and Nancy Granger; First Grade, Grace Askew and Marjorie Liebenow; Second Grade, Donna Broe and Mary Jane Stranahan;

Larson, Early Take Positions In Dormitories

A new Dormitory Director and six sophomore counselors were on hand to welcome and register the new freshmen and returning upperclass girls at Wheeler dormitory last week.

Mrs. Marjorie Larson has taken over Miss Elinor Mohn's duties as Dormitory Director. Mrs. Larson was superintendent and dietitian at the W. C. A. Clara Doerr club at Minneapolis. Previously she worked with dormitory management at Hamline University.

Another new dormitory staff member is Miss Lois Early, the dietitian replacing Mrs. Green. Miss Early is a graduate of Michigan State. She was formerly cafeteria director for two high schools in Grand Rapids, Michigan.

The student counselors for Comstock and Wheeler halls are Audrey De Mars, Darlene Goodyear, Connie Battreal, June Johnson, Janet Murray, and Jo Sater.

Bail Costs Frosh Fifty-five Cents Receipt Is Red, White Beanie

by Marvel Froemming

Finally the big day had arrived. We were college freshmen! All summer we had been planning our wardrobe, deciding what subjects to take, and dreaming about college life in general.

As we walked into our dorms, we were greeted by friendly upperclassmen who directed us to our home away from home. In no time at all we had our rooms looking as nice as those at the Waldorf Astoria.

We attended our first freshmen assembly feeling quite pleased with ourselves. After all, we had been away from home a day and we weren't even homesick yet.

Our cockiness didn't last long, however. As we filed out of Weld auditorium we found upperclassmen barricading the door. In order to obtain our release from the building, we had to pay 55 cents bail. As a receipt we received red and white beanies. We were told we had to keep these receipts on our heads until Homecoming.

After a few get acquainted parties, we frosh were soon identifying names with faces of people in our class. Friendships that will endure a lifetime had their beginning during orientation week.

Towards the end of the week, throngs of upperclassmen arrived on campus.

At the all-college dance the name learning process began all over again. We think upperclassmen should have to wear name tags too!

Evidently standing in line is a favorite pastime around MSTC. Many pair of new shoes were worn thin in the lineup for registration. Then they went through another ordeal in front of the bookstore.

The big climax to our week came Saturday night at the Cobber game.

FRESHMEN WORK OUT their first quarter's schedule of classes during the busy Saturday registration rush. Left, Harriet Gohdes, Davenport, N. D. Right, Karene Henrichs, Donnelly, Minn. Photo by Chuck Olson.

It was quite a thrill to see the whole student body sitting together rooting for their favorite team. We really felt that we were a part of Moorhead State Teachers College from that moment on.

Commission Minutes

The Student Commission meeting of Monday, September 19, 1955 was called to order by President Bruce Reski. Commissioners present were: Mrs. Grantham, Don Anderson, Ron Miller, Glen Matjeka, Frank Liedenfrost, Sandy DiBrito, Fran Berkley, Vivian Floberg, Delores Goodyear, DeLayne Riedberger, and Rae Iverson.

It was suggested that some way be worked out by which the amplifier for the loud speaker system could be better taken care of. A meeting of some of those using the system was suggested so that they could learn how the amplifier operated.

An addition of \$75.00 was made to the Athletic budget so that athletic records and other publicity could be given out through the Fargo Forum.

A plan by which the freshmen could do constructive things towards Homecoming was dismissed. A list of suggestions was made up which is to be presented before the P. G. 110 committee for approval and then submitted to the freshmen.

A motion was made and carried that the meeting of the Student Commission continue to be held at the usual time on Monday nights rather than on Tuesday nights as was scheduled in the new social calendar.

A letter was to be sent to Mr. Thurber requesting that two parking places be reserved for the use of the Student Commission members in the vicinity of the tunnel.

A thank you note was to be sent to the Pep Club for the sponsorship of the dance which followed the Concordia-Moorhead State football game. Respectively submitted, Rae Iverson, Secretary.

Sports Notes

By Dick Seal

Concordia's 34-0 drubbing of MSTC Saturday night revealed the very much below par blocking of the Dragons.

While we did not look anywhere near last year's fine play in the 7-7 deadlock against the Cobbers, several good signs were shown. Jim Peterson should develop into a fine left half-back. The Staples senior ran hard all night, picking up 41 yards on 11 carries. If Bill Beck, Ed Orick, Ron Thompson, and the reserve backs can master their plays to perfection, the Dragons will have something to cheer about. They have the ability and the desire to be a winning backfield combination.

The best instruction is actual game experience. The team worked hard and long at Camp Lincoln near Brainerd, but game experience from Saturday night will be a definite asset.

With the schedule as it is, it will be a rough nine game slate that coaches Dick Jensen and T. Edison Smith will attempt to fill. John Chalfant, who will handle the "B" squad, should help tremendously.

Jake Christiansen seems to have a way of getting small town footballers at Concordia who turn out to be better than average football players. Take his backfield at the halves; Arnold Porkkonen is from New York Mills, and Ron Gilbertson is from Lake Park. Fullback Curt Gabrielson is from Hillsboro, North Dakota. Hillsboro is the biggest with a 1,331 population. Just goes to show that small school teams are producing better athletes than a lot of football observers think.

MS Faces Bemidji Beavers In STC Conference Opener

MSTC Dragons will venture northward tomorrow night (Saturday) to meet their first State Teacher's conference foe in the Bemidji TC Beavers on the Beavers home grounds at 8 p.m.

The Dragons stopped the Beavers 20-7 here last year on Dad's Day. Dareld Hirschey took the pep out of the Beavers with an 83 yard kick return touchdown.

Coach Dick Jensen plans to go with about the same array of starters as he did in the Concordia game. Only change will be in the backfield. Left halfback Jim Peterson is expected to move back to fullback and Lyle Witt to Peterson's vacated spot. Regular fullback Bill Beck came up with a badly swollen ankle and was not able to do any contact work.

Lettermen for the Beavers are Bob Cline, Garth Waller, Carl Malm, Glen Hanson, Don Marquart, Dick Skog and Don Campbell. New coach Chester Anderson held twice a day work-

Anderson Heads

M Club For 55-56

The M Club held its first club meeting Wednesday noon as the lettermen of last year received their awards. The officers for the coming year are: Don Anderson, president; Frank Leidenfrost, vice president; Gay Johnson, secretary; and Ron Thompson, treasurer.

Fargo

By the way, if you care to see Concordia against their roughest foe, Gustavus Adolphus, they play them October 8 at 2 p.m., at Dacotah Field, home of the NDSC Bison.

NDU certainly proved they will be capable of bouncing heads with a tough Dragon line. Holding Hamline to a minus 27 yards in rushing Saturday afternoon at Grand Forks, paid off in a 27-0 non-conference win for the Sioux. The only way the Pipers could make yardage was on-passes to 6'5" Dick Donlin, who is built like a rock and as agile as a ballet dancer afoot.

There are some good MSTC freshman athletes who have not showed their athletic ability as yet. In basketball, the Dragons may have picked up three capable boys in Wadena's Gene Goeddel and Jim Rice along with Phil Archer from Staples. Archer was on virtually everyone's Region 6 all star team in helping the Cardinals to a Region 6 runner-up spot last winter.

Rocky Marciano successfully defended his world championship heavyweight boxing title at New York's Yankee Stadium Wednesday night, knocking out 38 year old Archie Moore in 1 minute and 39 seconds, of the ninth round. "The Rock" was a 3-1 favorite and was the top choice among 56 of 60 leading boxing writers.

Sports director Bill Weaver of WDAY-TV sends along word that some interesting sports events are in store for this weekend. Friday night's televised and broadcasted fight at 8 p.m., is a battle between two middleweights, Ralph "Tiger" Jones and Chris Christenson, from the Cleveland Arena.

outs until classwork began September 12. Assisting Anderson are Harry Fritz, who will handle the backs and Chuck Lang, who will work with the line.

WAA Schedules Fall Activities

A schedule of athletic activities has been set up by members of the Women's Athletic Association for fall quarter.

Regardless of your skill in swimming, do not hesitate to take a dip with us every Monday, from 4:00-5:30. Joane Lewis and Una Orud will pace the dock-insuring safety.

For recreation, enjoyment and general conditioning, you will find activities offered Monday nights in the big gym. Sports captains Bonnie Wee and Bette Reyes are in charge of volleyball while Carol Hvidsten and Jo Baugh will take charge of badminton. These activities will commence at 8:00 and will disperse at 9:50.

A comparatively new activity, speedball, has also been added to the Women's Athletic Association's calendar of events. Viv Floberg and Mary Ellen Brodigan will lead this activity every Thursday from 4 o'clock -5 o'clock in the big gym.

Dragons Lose Opener, 34-0; Cobbers Dominate Since '36

Concordia's Cobbers won the mythical intercity football championship on Memorial Field, Saturday night, defeating a less experienced Dragon crew, 34-0. The victory gave the Cobbers 19 years of dominance dating back to 1936 when MSTC eked out a 3-0 win on Marco Gotta's field goal.

Ron Gilbertson, Lake Park junior halfback-fullback, scored three time on runs of 3, 21 and 26 yards. He totaled 103 yards rushing on 14 carries for a 7.3 mark. John Hanson and Curt Gabrielson scored a touchdown apiece with Paul Knutson kicking three extra points and Bill Quenette one.

MSTC's biggest drive came in the early stages of the third period. Quenette kicked to the goal line and Jim Peterson returned the ball to the 17. Beck on two straight carries went to the 28. Peterson gained two yards and reserve quarterback Jerry Furseth picked up the Dragons initial first down when he smashed to the 32.

Peterson rammed to the 44 with an 11 yard outburst and a one yard smash. After an incomplete pass on second down, quarterback Ron Thompson threw to Peterson for two yards. On fourth down, from the Dra-

gon 46, Peterson was forced to punt with third and seven, ending the Dragon's best offensive effort, which netted just 29 yards.

On Monday, preceding the tussle

with the Dragons, the Cobbers handed the sophomore talented NDSC Bison a 20-7 licking on Dacotah Field with Gabrielson scoring twice and Jim Miller once.

MARV OLSON TRIES desperately to stop Concordia quarterback John Hanson (24) who scored on this play after a Concordia blocker sent halfback Ed Orick (35) to the ground with a smashing block. Photo by Chuck Olson.

IM Teams Organize

All men interested in intramural football should organize teams by Friday, Sept. 23.

Each team must have a roster of not less than ten men. Select a captain and a name for your team. Turn in these team rosters with the above information to the Athletic Office.

The league games start next week. Watch for the notice on the bulletin board. All men not on the football squads are eligible. Get your rosters in to Roy Domek now!

LSA Series Starts Sunday; Wesley Club Sponsors Banquet

LUTHERAN STUDENT ASSOCIATION

"Youth's Philosophy of Life," the first in a series of topics on the subject, "Youth Today," will be given as a round table discussion at the LSA meeting on Sunday, September 25, at 7:30 p.m.

Members of the discussion are Mrs. Hauge, chairman; Marilyn Dahlen, MSTC - LSA; DeLayne Riedberger, religious commissioner - MSTC; Kenneth Moxness, graduate student at NDAC; and Arnold Stengel, president of student body, Concordia.

Other topics in the "Youth Today" series are "Youth's Influence on Life and Thought"; "Youth's Role as Student"; "Youth's Potential as a Christian Movement."

Chapel hour, a new addition to the LSA activities, is held every Monday and Wednesday from 12:30-12:45. Rev. Olson will be guest speaker on

Monday, September 26.

A series of topics centering around science and Christianity will begin the coffee hours every Tuesday at 4:00. The first one in this series is "Where Do Science and Christianity Clash?" with Rev. Oscar Anderson, Trinity and Dr. Earl Helgeson, department of botany, NDAC as guest speakers on Tuesday, September 27.

Bible study is held each Thursday from 7:45-8:45.

Chapel, coffee hour, Bible study and Sunday evening meetings are held at the LSA house one block west of the campus gates.

WESLEY CLUB

Dr. C. Maxwell Brown, pastor of the First Methodist Church in Fargo, addressed the First Annual Wesley Foundation Freshman Banquet held in the Studio A Room of The Fredrick-Martin Hotel. Dr. Brown's address revealed the importance of religion on the American college campus. He also expressed the opinion that

religious and academic training are partners in producing good teachers and citizens.

Preceding the main address Jim Heifort, emcee, told of the purpose of Wesley Foundation and extended a welcome inviting all Freshman Methodist-preference students to share in the W. F. meetings held every Thursday night at 7:00 in the Grace Methodist Church.

Arthur Robertson, Concordia faculty representative; Bernard Gill, Wesley Foundation advisor; Rev. Edward Pfluke, W. F. director; and officers and council members were guests of honor. Following their introduction, Rachel Briggs led group singing.

Committees in charge of arranging the banquet were: general chairman, Jim Heifort; arrangements and invitations, Doris Champlin and Betty Mohr; publicity, Delayne Riedberger and Kay Colwell; decorations and entertainment, Sue Krieger and Rachel Briggs.

Six Counselors Aid McLeod At Ballard

Ballard Hall is ready to go for another college year with its new dorm director, Larry MacLeod, in charge. Mr. MacLeod replaces Mr. Bierhaus who is on a leave of absence.

During the summer months, many of the doors and windows have been repainted. All the desks in Ballard have been sanded and varnished.

Six new counselors will assist Ballard's 177 students through another college year. The new coun-

selors are Ron Oliphant, Ron Thorson, Bill Zimmer, Don Anderson, Ray Kavanagh, and Don Miller.

Fall Grads To Meet

Students graduating at the end of the fall quarter are asked to meet in the library of the Campus Elementary School, Thursday, September 29, at 4:30 p.m. concerning placement.

Enthusiastic? Join Pep Club

If you are a red blooded American girl or boy, man or woman with a voice or ideas or enthusiasm for life, the Pep Club is looking for you! The school spirit at MSTC leaves much to be desired and this year's Pep Club is making plans to do something about it. Won't you, you, and especially you help us?

The club, with your co-operation, is planning on attending two out-of-town football games, two out-of-town basketball games, and two out-of-town baseball games. Let's extend our school's public relations. We also sponsor dances.

Well, have we convinced you? We have. Good! Next Monday there will be a meeting at 12:30 p.m. in room 250. See you there!

Vets Club Meets

The MSTC Vets Club extends an invitation to all veterans to attend the first meeting of the year, Tuesday evening, in Ingleside. The highlight of this informal gathering will be a discussion on the problems that face the vet when he enters college. Donald Hamerlinck, president of the club, will act as the discussion leader.
